EDUCATION

Ivey Business School, London, ON, Canada

2020 – Present

Master of Science in Management, Business Analytics Candidate 2021

Western University, London, ON, Canada

2017 – 2019

Bachelor of Science, Honor's Specialization in Psychology

- Honor's Thesis: Success of VR Depth Cues in Convincing the Visuomotor System VR Objects Are Real
- Graduated with Distinction

WORK EXPERIENCE

CulhamARI Lab, London, ON, Canada

2019 – Present

Research Technician

- Advised undergraduate thesis students on human visual and multi-sensory processing by providing instruction on logic and design of experiments, creation of real and virtual stimuli, data collection with custom and commercial equipment, statistical analysis and interpretation of results, and scientific writing and live presentation, which ultimately resulted in average student achievement of 90%
- Collaborated with in-house specialists to design and build complex experimental setups and troubleshoot integration conflicts, which enabled fellow lab members to collect and analyze kinematic, virtual reality, and multi-sensory processing data
- Led completion of archived PhD project by evaluating old data and relevant literature, optimizing Matlab scripts, compiling and improving figures, and drafting manuscript for publication

Statistics Tutor, London, ON, Canada

2019 – 2020

- Served as professor-recommended private statistics tutor, instructing on fundamentals of statistics in psychology and experimental applications
- Designed individualized sessions through pre-session consultations to target preparatory material towards problem areas and maximize student value

Dozois Mood Research Lab, London, ON, Canada

2017 – 2018

Research Assistant

- Organized intake of research participants who were part of a clinical population
- Evaluated signs of suicide risk by monitoring screening forms and collaborated with supervising graduate student to ensure at-risk individuals were safe and had preventative resources prior to leaving

OTHER ACTIVITIES & INTERESTS

Adrenaline Training Center, Brazilian Jiu-Jitsu Competitor

2019 – Present

- Trained multiple times weekly with a focus on discipline and collaborative improvement with team members

St. Joseph's Hospice London, Direct Support Volunteer

2019 – Present

- Supported primary care staff in an end-of-life care facility by assisting to comfort, feed, clothe, clean and move residents while offering residents company when direct support is not required

Travel, International

2015 - 2016

- Raised funds for a three-month trip to Southeast Asia; through networking, gained opportunities to work in multiple states of Australia over eleven months, funding four additional months in Europe

Languages: Fluent in English and Hebrew, proficient in Spanish

Technical Skills: Proficient in Excel; Novice in Python, Matlab, JavaScript, and Google Apps Script
